Secondary Insurance: _____

Benefits Coverage: _____

Based on Medicare law, we are required to attempt to collect any unpaid portion of the annual deductible and the copayment (co-insurance) from the beneficiary.

I have determined that, due to my financial hardship, I am unable to pay the outstanding portion of my deductible and/or co-payment. Due to my financial circumstances, please waive or discount my obligation for payment of charges for the following calendar year:

Year: _____

However, if in the future my financial situation has improved enough to enable me to pay, I will inform Direct Medical Incorporated

Statement of Agreement: "I understand that Direct Medical Incorporated is waiving collection of the co-payment and deductible amounts in my case due to financial hardship. I also understand that Direct Medical Incorporated can and will begin to collect on these charges should my financial situation improve."

Signature of Patient_____ Date:_____
